Thank you for the clarification, and getting a teleconference line for Amber.

We do appreciate this so much! She doesn't want to miss this meeting.

No worries. I completely understand, will request the phone line from BLM and get back to you with the number. Just to clarify the meeting is in Reno BLM's Offices not Carson City. Thanks.

Ms. Herrera, I apologize for the late notice but my Administrator/Tribal Chairwoman, Amber Torres, would like to know if it is at all possible for her to conference into the meeting this afternoon at 3:00pm. Due to unforeseen circumstances, she is unable to drive to Carson City for the meeting. She would like very much to be included and therefore requests a telephone number to conference into this business call. Is this possible?

Please respond to me at your earliest convenience.

Respectfully,
